

# Citation

---

A citation is the formal acknowledgment of intellectual debt to previously published research. It generally contains sufficient bibliographic information to uniquely identify the cited document.

## Fields

| Name       | Value         |
|------------|---------------|
| product    | InCites / JCR |
| Indicator  | false         |
| xmlElement | false         |
